### **REACH Pre-Registration and Registration Statement**

ICL Performance Products LP intends for all of our products to be pre-registered and registered under the new REACH regulations. REACH regulations have been adopted in the European Union for the “**R**egistration, **E**valuation, **A**uthorization of **C**hemicals”. Food grade products for use as food products are exempted from REACH. All ICL Performance Products, including food grade products, are being pre-registered/registered for possible technical use in the future. Our sister company, BK Giulini GmbH in Germany, will handle our pre-registration/registration. If you have further questions, please contact Debbie Duke at 314-918-4922 or [Deborah.duke@icl-pplp.com](mailto:Deborah.duke@icl-pplp.com).
